Dear Sir or Madam

To whom it may concern

I am writing this letter to express my interest in history, geography and social sciences teacher position. I am a qualified teacher I specialise in history, geography and social sciences subject. I am Khesani Lubisi, and completed a bachelor's degree in Education for Senior and FET phase teaching in 2021 at University of Pretoria. I am currently pursuing my postgraduate studies at honors level at University of Pretoria. I believe that my skills and passion for teaching will make a positive contribution to the institution.

While completing my degree, I had the opportunity to do training as a student teacher, which has given me hands-on experience in dealing with primary and secondary students. During my training, I have fulfilled responsibilities that have prepared me for the role of a full-time teacher.

The following are some of my key skills and achievements:

- Graduated from University of Pretoria with a Bachelor's degree in Education for Senior and FET phase teaching.
- Capability of creating an inclusive and encouraging learning environment.
- Teaching experience for grade 12.
- Strong leadership skills, capable of getting the best out of students and developing positive classroom environments
- A personable, committed approach to teaching and a drive to help students improve.

My mental flexibility is one of the characteristics that set me apart from other candidates. While I am capable of applying logic and reasoning to solve complex problems, I am also capable of using creative thinking through lessons. If you believe I would make an excellent fit for your institution, please do not hesitate to contact me for an interview. I thank you in advance for your consideration.

Sincerely,

Khesani Lubisi
